

子供時から今まで、私はいつもあいずちを使っている。とくに、私の両親は私に「ていねいのために、あいずちを使った方がいい」と言った。でも、妹達はぜんぜんあいずちを使わない。だから、先日を考えて、妹はアメリカ人の方がアジア人より見分けるから、あいずちを使わないかもしれな。

Ever since I was a child, I have always used backchanneling. Especially with my parents. They told me "You should use backchanneling to be polite." However, my sisters have never used backchanneling. That's why, the other day when I was thinking, I thought since my sisters identified as more American than Asian, that could be why they don't use backchanneling.
